Important Information for Students

Please read the below given information carefully before signing the application form. Students may contact Hawk Institute for any further information or email us at apply@hawkinstitute.edu.au. It is advisable to read Student's handbook available on Hawk Institute's website www.hawkinstitute.edu.au for detailed information.

For VET Qualifications: Course Monitoring and Attendance Policy

Hawk Institute has a Course Monitoring and Attendance Policy which states that the students are required to maintain satisfactory course progress throughout the course. Students are also required to attend their classes and maintain 80% of attendance throughout the course. Low attendance implies that student might not be able to complete their course on time and it might lead to unsatisfactory course progress. Hawk Institute is required to report students based on unsatisfactory course progress in two consecutive study periods to the Department of Home Affairs (DHA) via PRISMS.

Satisfactory course Progress: where a student can meet course progress requirements for a study period as identified in the Training and Assessment Strategy for each course. Satisfactory course progress is defined as successfully completing or demonstrating competency in at least 50% of the units in any study period.

Hence, students are required to attend classes in accordance with the course timetables to make satisfactory course progress. Under the Education Services for Overseas Students Act 2000 and the National Code 2018, Hawk Institute is required to report **unsatisfactory course progress** (failing to complete at least 50%

of units for two consecutive study periods) to the Department of Home Affairs (DHA) via PRISMS.

Note: Students will not be reported based on attendance. However, low attendance may lead to unsatisfactory course progress which can lead to you being reported to the DHA.

If an overseas student is not attending scheduled classes, but is making satisfactory progress in their course, then the course duration set may not be suitable for that student—because this may mean that they already have the skills, knowledge, and experience to progress in their course without receiving structured training.

Hawk Institute will reduce the duration of the course to the minimum duration required, given the student's existing skills and knowledge, while maintaining a minimum of 20 scheduled course contact hours per week.

For detailed information, kindly refer to Course Monitoring and Attendance Policy available on website or refer to Student's handbook.

For General English: Students are required to attend their classes and maintain minimum 80% of attendance throughout the course for better learning. Hawk Institute is required to report students to the Department of Home Affairs based on unsatisfactory attendance.

Satisfactory Attendance: Students must maintain a minimum of 80% of attendance throughout the course for satisfactory attendance.

Please Note: Students are required to attend a minimum 20 scheduled course contact hours per week.

However, students can pay more than 50% if they wish to do so. Any amount of fees paid before the start of the course will be reflected on the Confirmation of Enrolment (COE).

c) Any remaining tuition fees can be paid through payment plan arrangements. All students are required to understand and sign the fees agreement which states the next instalment amounts with the due dates. All due dates on the tuition fees are kept at standard 15th of every month.
