5. Hawk Institute's initiated Deferral, Suspension and Cancellation

i. Hawk Institute's initiated Deferral

Hawk Institute may defer an enrolment where the course is not being offered at the proposed date, site, or any other reason that Hawk Institute deems necessary. In this unlikely event, the refund provisions for provider default will apply.

In exceptional circumstances, Hawk Institute may be unable to deliver a unit or units because of factors beyond its control. Where this situation exists (or one or more of the units that cannot be delivered is a prerequisite unit), students can have their study load adjusted and a deferral may be applied for. This basis for deferral is only available if the student can schedule units of competency so that they can complete their studies within the approved duration.

ii. Hawk Institute's initiated Suspension or cancellation

Where a student has been identified as having breached Hawk Institute's code of conducts (for e.g. misbehavior, failure to pay an amount required to pay in order to continue the course), the CEO shall be informed as soon as possible. All of the facts and evidence associated with the alleged misdemeanor or misbehavior must be presented to the CEO for due consideration.

If there has been a breach in course progress or attendance requirements by the overseas student, which must occur in accordance with Standard 8 (Overseas student visa requirements).

The CEO is responsible for deciding whether there has been a breach based on the evidence presented and for deciding the ensuing penalty (i.e. suspension or cancellation of enrolment). The CEO may take into account the type of misconduct that has occurred and the level of misconduct that occurred when deciding penalties.

Students will be advised in writing of the decision. Students will be given 20 working days to access Hawk Institute's Complaints and Appeals procedures if they feel that the decision is unfair. Student's course variation will be notified in PRISMS. All relevant documentation will be retained securely and confidentially on the student's file.

iii. Hawk Institute's initiated Cancellation

Hawk Institute has the right to cancel student's enrolment where student's misconduct is severe (as defined in the policy above). Students will be informed in writing of the intention and the reasons on why their enrolment has been cancelled.

Where the CEO has decided the misconduct is severe enough for cancellation, the following will occur:

- The student will be informed in writing of the reason and decision of the Hawk Institute to cancel the student's enrolment.
- They will be informed of the fact that they have the right to appeal the decision through Hawk Institute's internal complaints and appeals process, in accordance with Standard 10 (Complaints and appeals) within 20 working days of the written notification.
- No action will be taken until the internal appeals process has been finalised unless there are extenuating circumstances relating to the student's welfare like overseas student's health or wellbeing, or the wellbeing of others, is likely to be at risk.
- Students will also be informed that their student visa may be affected if Hawk Institute notifies the Department of Home Affairs ("DHA") of the cancellation, their student visa may be affected.

Once the appeals process is finalised and the decision to cancel is upheld, Hawk Institute will inform DHA through PRISMS of the intention to cancel the student's enrolment. The change will be reported to overseas student's enrolment under section 19 of the ESOS Act.

All copies of relevant documentation will be retained securely in the student's file.

Note: If Hawk Institute initiates a suspension or cancellation of the overseas student's enrolment, before imposing a suspension or cancellation, Hawk Institute will:

- inform the overseas student of that intention and the reasons for doing so, in writing
- advise the overseas student of their right to appeal through Hawk Institute's internal complaints and appeals process, in accordance with Standard 10 (Complaints and appeals), within 20 working days.

6. Deferral, Suspension or Cancellation of Enrolment Procedure (Students Initiated)

Hawk Institute has implemented and documented process for assessing, approving and recording deferment of the commencement of study or suspension of study requested by an overseas student, including maintaining a record of any decisions.

i. Students Initiated deferral

A student wishing to defer an enrolment can do so prior to the commencement of the course.

Students must complete an 'Application Form-Defer, suspend' and submit to the Student Administrations Department. An authorised person from the Administration Department will assess the applications.

A decision will be made within 5 working days. Students will be advised of the decision in writing. If approved, a student's course variation will be reported in PRISMS. Under exceptional circumstances within compassionate and compelling grounds, and at the discretion of Hawk Institute, you may be permitted to defer commencement of a course up to two (2) weeks after the published course start date. If you arrive later than two (2) weeks after the course start date, you will need to defer to the next term. This deferral will be formally granted by Hawk Institute. All relevant documentation will be kept on the student's file.

ii. Student initiated suspension

Students who wish to suspend their studies should first speak to the Administration Manager or any Hawk Institute's staff from the Administration Department to ensure that they understand the reasons where suspension may be granted. The application form is available on Hawk Institute's website www.hawkinstitute.edu.au and can also be made available from the reception.

The application form must be completed and submitted to the Administration Manager or Student Administration Department. The Institute may decide to accept an application from a student for deferral of commencement or suspension of study on the following grounds:

- a. On medical grounds (with supporting documents). Further documental evidence may be requested at the discretion of the Institute; or
- b. In exceptional compassionate and compelling circumstances beyond the students control and which affects the student's course progress or wellbeing, such as serious illness, bereavement of close family members, major political upheaval or natural disaster, a traumatic experience or another exceptional event. Independent evidence of the exceptional circumstances is required for the application to be assessed.

Criteria of accessing an exceptional event would include:

- Nature of the event e.g. that it is exceptional event
- Beyond the student's control — it cannot be scheduled at another time.
- Likelihood to effect student's wellbeing e.g. there are compassionate circumstances - if they do not attend, it will upset them and impact on their ability to study effectively and successfully.
- Impact on course progress e.g. the impact of the length of time away on course progress and how the student intends to ensure completion within duration.

Note: the wedding of a family member or friend, a cultural celebration that is also celebrated by the community in Australia, or a holiday are not reasons for a deferment.

Applications will be assessed and approved by Administration Manager or an authorised staff member from the Administration Department.

Where a suspension of enrolment is granted, Hawk Institute will suspend the student's enrolment for an agreed period of time - to a maximum of 12 months. Deferment/Suspension fees of \$250 will be charged. Students can reapply for suspension which shall be done prior to 10 working days of the expiry of their previous suspension period. A fee of \$250 will be charged for re-applying for suspension and maximum of 3 months of suspension will be granted.

Students will be informed in writing of the outcome of their application for suspension and advised that it may affect their student visa. The student's course variation will be recorded in PRISMS. All relevant documentation for the suspension will be kept on the student's file.

iii. Student initiated cancellation

Students wishing to cancel their enrolment should advise Hawk Institute as soon as possible and complete wherever possible an 'Enrolment cancellation form' and submit it to the Administration Department.

Students wishing to cancel their enrolment prior to completing 6 months of study in their principal course must provide a letter of offer from an alternative provider. This is required under Standard 7 of the National Code 2018 and further information can be gained from the 'Transfer between Providers Policy and Procedure'.

Upon receipt of an application to cancel, the student's course variation will be noted in PRISMS as soon as possible. All relevant documentation for the cancellation will be kept in the students file.

Please note: If student applies for suspension or cancellation, he/she will be required to pay all the outstanding charges. As per the payment plan, fees must be paid prior to applying for suspension or cancellation. An additional fee of \$250 will be charged for deferment and suspension.

"The total fees due during suspension period will be accounted as the outstanding fees

8.1. Student has the right to appeal through Hawk Institute's complaints and appeals policy and process, in accordance with Standard 10 (Complaints and appeals), within 20 working days from the date of issue.

8.2. The suspension or cancellation of the student's enrolment will not take effect until the internal appeals process is completed, unless there are extenuating circumstances relating the student's welfare like overseas student's health or wellbeing, or the wellbeing of others, is likely to be at risk.
